As President or CEO, you are often the most isolated person in your organization. You have no internal peers, no one with whom you can be completely open and no one who really knows and understands issues from your perspective.

Roundtables are created to provide an informal forum for the sharing of information, ideas and experience among executives with similar responsibilities in ERA member organizations. Each group will be self-facilitated and the group will decide agendas. These roundtables are not to be used as a forum for selling your products or services. Groups are ideally formed with up to 15 participants.

If interested in joining the CEO Roundtable or have questions; please contact Jennifer Graft, President & CEO of Employers Resource Association by email at jgraft@hrxperts.org; or by phone at 513.679.4120.

Meetings are held on a set day and time of each month at ERA Cincinnati Office.

- 3rd Tuesday each month** **7:30 am—9:30 am**
- 2nd Wednesday each month** **3:00 pm—5:00 pm**

Please indicate your preferred meeting time, in order of preference.
