

Flexible HR Support - When You Need It

Handling HR is often challenging. It takes a lot of knowledge and expertise to effectively manage all of the human resources functions within a business. ERA's HR On-Demand services can provide employers with a cost-effective way to advance HR projects and priorities by tapping into qualified HR professionals on our staff who are skilled in the delivery of effective HR solutions.

Whether your company needs to supplement your current HR staff, or simply have an HR-related project that needs your time and attention, ERA has you covered. Through our HR On-Demand program, we're able to engage in HR projects at any level so you can continue to focus on other priorities.

Our experienced HR consultants are available to handle projects that span from long-term assignments to projects that may be short in nature. Some examples include:
